2019 MEETING PLANNER
BIG RED LIGHTHOUSE
Known around the world for its annual Tulip Time Festival, Holland exemplifies that friendly Dutch hospitality and heritage year-round, providing a unique backdrop for meetings of all sizes.

Located on the shores of Lake Michigan and Lake Macatawa, Holland is home to several first-class hotels, restaurants, and waterfront parks. Our beautiful scenery and award-winning downtown are sure to enhance meeting participation.

In addition to being one of the Great Lakes most popular destinations for boating, beach combing and shopping, Holland has that “Dutch touch” proven to be of special interest to meeting participants and their families. Our Dutch attractions Windmill Island Gardens, Nelis’ Dutch Village, Veldheer Tulip Gardens, and DeKlomp Wooden Shoe and Delft Factory, are open throughout the tourist season, while our Dutch-costumed Greeters are available to groups any time of the year.

Seasoned by providing services to groups and travel planners during the Tulip Time Festival (one of the top 20 international festivals), the Holland Area Visitors Bureau staff understands the special needs of meeting planners. The skills, training, and talent developed during festival implementation are extended on a year-round basis by hotel, restaurant, and hospitality personnel. Your meeting or event will be given the all-important attention to detail for which our visitors bureau is known.

FOR A PLEASANT, RELAXED, AND AFFORDABLE MEETING ATMOSPHERE . . .
Holland’s famous “Dutch Hospitality” provides you with distinctive meeting opportunities!

RECREATION

Holland’s beaches and natural shoreline, as well as its proximity to other resort communities, provide a delightful complement to meetings, particularly if planners are inviting spouse or family members. Our Dutch attractions, along with the Holland Museum and Cappon House offer a pleasant diversion for meeting attendees. Holland has been recognized with many national awards including “The Prettiest Town in Every U.S. State (Michigan)” by the Architectural Digest. Our award-winning downtown is known for its specialty shops, galleries, and restaurants, and our downtown streets remain snow-free all winter, thanks to Holland’s unique snowmelt system.
